Queen of Angels Montessori presents **Summer Camps 2010**

# Summer Camps 2010

## About Our Camps

The Queen of Angels Montessori Summer Camp Program offers a variety of day camp experiences for children ages 4-14. Camps are open to the general public.

Morning Sessions: 9:00 a.m. – 12:00 noon

Afternoon Sessions: 1:00 – 4:00 p.m.

Children who are enrolled in a morning and afternoon session in the same week may eat their packed lunch and enjoy a supervised play time between camps (12:00-1:00) for an additional \$25 per week, per child.

The base fee for each camp is \$119.00 per session, per child if paid by May 1st. Camp fee starting on May 2nd is \$129. Some camps require an additional lab fee, which is indicated in the camp description

## About Our Instructors

Many camps are taught by certified teachers, many with advanced degrees. All of our instructors bring a deep knowledge of their subject area, an enthusiasm and joy for the camp they are leading, and experience with guiding children in hands-on activities and enjoyable explorations.

## Coo Coo for Cooking (Ages 4-14)

*Libby McAvoy, Chef for Kids in the Kitchen*

Have you ever seen the gratification a child receives from cooking? It is a wonderful and exciting hands-on approach to learning math, science, etiquette, nutrition, safety, and much more. Enjoy more than just cooking... complete fun food-related art projects, simple recipes, and even science experiments!

Ages 4-10	June 7-11	9:00 AM-Noon
Ages 4-10	June 7-11	1:00-4:00 PM
Ages 11-14	June 14-18	9:00 AM-Noon
Ages 11-14	June 14-18	1:00-4:00 PM

## Fun with Clay (Ages 4-14)

*Ximena Flores, Spanish Instructor at Queen of Angels Montessori*

Get your hands dirty with one of the oldest art forms! This class will give you an introduction to basic hand-building techniques: pinch, coils, carving, and slab. Campers will create pots, stamps, animals, and masks, then explore different decorating techniques. Pieces will be bisque fired then sent home! (\$15 additional Lab fee required)

Ages 4-14	June 7-11	9:00 AM-Noon
-----------	-----------	--------------

## Bead Dazzled (Ages 7-14)

*Rebecca Vermillion, Jewelry Design Business Owner*

Learn the basics of jewelry making including stringing, sequencing, color composition, and how to make different types of beads. You will take home completed projects including a "Nature Walk" bracelet, heart pendant, and paper/button bracelets.

Ages 7-11	June 7-11	9:00 AM-Noon
Ages 12-14	June 14-18	9:00 AM-Noon

## Celtic Culture (Ages 7-14)

*Riley School of Irish Music: Cindy Matyi, Artist and Celtic Musician; Susan Cross, Celtic Musician*

Immerse yourself in the culture of the Celts! In this camp, students will learn about the age-old method of learning by ear the instrumental dance music and songs related to the Celtic traditions. In this camp, students will learn to play either a penny whistle or Irish fiddle tunes (if student can provide their own fiddle), learn to sing 3 traditional celtic songs and their history, basic steps in Irish Dancing, a craft project integrating the 5 basic designs in Celtic art, and some background in Celtic Culture including Gaelic language, holidays, and traditions.

Ages 7-14	June 14-18	1:00-4:00 PM
-----------	------------	--------------

## The Play's the Thing (Ages 7-11)

*Kieran Conway, Student Theater Instructor*

This class is a great introduction to acting in and producing a play. You will acting games to learn about different kinds of acting. Students will learn about set design, script reading, theatrical techniques and other components of producing a play. The children will produce their own play to perform for parents on the last day of camp.

Ages 7-11	June 14-18	9:00 AM-Noon
-----------	------------	--------------

## Hop, Skip and Dance (Ages 4-6)

*Jeanne Speier, M.F.A., Music Instructor at Queen of Angels*

A creative dance camp for children, this fun, basic movement skills class taps into the flow of nature around us as we create wind, butterfly and scarecrow dances. We will make costumes and have parents share in our creations on the last day.

Ages 4-6	June 7-11	9:00 AM-Noon
----------	-----------	--------------

## Nature in a Nutshell (Ages 4-6)

*Jeanne Speier, M.F.A., Music Instructor at Queen of Angels*

This camp will involve learning about trees, plants, grasses, and the critters who live outside. We will learn what trees grow throughout the Queen of Angels campus. We will learn poetry and movements to enhance our identification skills. On Friday we will go on a field trip to California Woods and then get ice cream at UDF! Dress for outdoor activities.

Ages 4-6	June 7-11	1:00-4:00 PM
----------	-----------	--------------

## Crazy Chemworks\* (Ages 7-11)

*MadScience Camp with Professional MadScience Instructor*

Dive into science with Cincinnati's MadScience group. You will learn the basics of lab procedures in hands-on activities and study the building boxes of the universe: atoms and molecules. You will also explore some basic chemical families: acids and bases, experiment with chemical and physical changes, investigate the nature of light and sublimation, and study polymers. This is a FUN way to play with Chemistry with no tests or homework! (additional \$55 lab fee required)

\*\$55 Lab Fee

Ages 7-11	June 14-18	9:00 AM-Noon
Ages 7-11	June 14-18	1:00-4:00 PM

## Engineering Adventures I\* (Ages 7-11)

*Vic Ivers, Engineer, Engineer Instructor*

Invent, build and test. Hands-on projects and challenges in class bring out the tinkerer in everyone and inspire future inventors, engineers, and scientists. This is the place to discover by doing, to learn how to make mistakes and apply what you learn. Every session is a mix of electronics, mechanisms, materials and tools. Amaze friends and family!

\*\$50 Lab Fee

Ages 7-11	June 7-11	9:00 AM-Noon
-----------	-----------	--------------

## Engineering Adventures II\* (Ages 11-14)

*Vic Ivers, Engineer, Engineer Instructor*

Invent, build and test. Hands-on projects and challenges in class bring out the tinkerer in everyone and inspire future inventors, engineers, and scientists. This is the place to discover by doing, to learn how to make mistakes and apply what you learn. Every session is a mix of electronics, mechanisms, materials and tools. Amaze friends and family!

\*\$50 Lab Fee

Ages 11-14	June 7-11	9:00 AM-Noon
------------	-----------	--------------

## Dance for Fun (Ages 7-10)

*Kieran Conway, Dance Instructor*

This camp explores the various styles of dance, and teaches you how to move your body in creative ways. You will make up their own dances as well as learn a dance to perform for parents on the last day of camp. Dancers should dress in leotard or loose shorts/tee.

Ages 7-10	June 7-11	9:00 AM-Noon
-----------	-----------	--------------

## Painting Party (Ages 7-11)

*Linda Schneider-Houghton, Artist and Art Instructor*

Students will learn the essentials of painting with gouache including style, subject, color theory, creativity, and composition. This class features step by step demonstrations of both traditional and experimental techniques showing how to achieve a wide variety of effects. This class is a fun introduction for beginners and paint lovers.

Ages 7-11	June 7-11	1:00-4:00 PM
Ages 11-14	June 7-11	9:00 AM-Noon

## Super Sculptures\* (Ages 11-14)

*Linda Schneider-Houghton, Artist and Art Instructor*

Experience how easy it is to design and create your own sculptures using Linda Schneider-Houghton's latest techniques in mosaic and plaster. Learn how to turn a 2-D drawing into a 3-D piece. Students will learn how to carve and shape with a variety of tools. This class will be packed with exciting ideas and ways to create sculpture. Experiment, have fun and be amazed at what can be achieved.

\*\$15 Lab Fee

Ages 11-14	June 14-18	1:00-4:00 PM
------------	------------	--------------

## Crazy Crafts (Ages 4-6)

*Linda Schneider-Houghton, Artist and Art Instructor*

Tap into your creativity with this hands-on crafts camp. Your child will be introduced to a variety of arts and crafts while also learning standard curriculum. Subjects such as history, science, reading, and writing will be incorporated into the student's projects. Learning and having fun come together at the same time. The students will get a sense of accomplishment and self expression as they design their own T-shirt, paint, draw and explore sculpture. With crazy crafts your child will be exposed to a variety of mediums and subjects. Dress in art-friendly old clothes and bring one plain white t-shirt to class for decorating.

Ages 4-6	June 14-18	9:00 AM-Noon
----------	------------	--------------

## Origami Creations (Ages 7-12)

*Christine McCullough, Origami Instructor for P.A.G.E.*

Learn the basics of the Japanese art of paper folding! This class will teach you the basics of origami, the vocabulary, and how to interpret origami diagrams in books and on the internet. Experience the joy of turning flat squares of colorful paper into charming three dimensional models.

Ages 7-12	June 14-18	1:00-4:00 PM
-----------	------------	--------------

## Scrapbooking (Ages 7-14)

*Lori Figart, Owner of scrapbooking store Scrap, Paper, Scissors*

Do you love to snip, punch, and paste? Learn the creative art of scrapbooking and create a special keepsake in the process! Each child will create a personalized scrapbook. Campers must bring plenty of photos of themselves, family, friends, etc. to use in creating their scrapbooking pages.

Ages 7-14	June 14-18	1:00-4:00 PM
-----------	------------	--------------

## Red Cross Babysitting Certification (Ages 10 and up)

*Shannon Lotter, Montessori Assistant Teacher at Queen of Angels*

Receive Red Cross Babysitting certification! This course is designed for youth ages 11-15. Students learn accident prevention, diapering, feeding, and emergency first aid. They will also learn to interact with children through appropriate games, toys, and activities, as well as how to prepare for the job as a babysitter. New additional modules and take home CD-ROM kit with forms and organizational aids included.

Ages 10-15	June 7-11	1:00-4:00 PM
------------	-----------	--------------

## Lunch supervision

June 7-11	12:00-1:00 PM	\$25
June 14-18	12:00-1:00 PM	\$25
