

Bus Transportation Information

This is a summary of information from the various public school transportation departments that represent students from Queen of Angels Montessori.

Forest Hills Schools: 231-3335

Forest Hills will provide transportation for Queen of Angels students. Parents are contacted with route information in August about a week before school begins.

Madeira City Schools: 561-1366

Milford will provide transportation for Queen of Angels students. Parents should call the transportation office in early summer for information.

Milford Schools: 575-1563

Milford will provide transportation for Queen of Angels students. Parents should call the transportation office in June to confirm address and route information.

West Clermont Schools: 752-4020

West Clermont will provide transportation for Queen of Angels students who have the following neighborhood schools: Brantner, Clough, Summerside, Willowvale, and, Withamsville-Tobasco. Children whose neighborhood school would be Merwin, Amelia, or Holly Hill are not eligible for bus service, but may apply to West Clermont for compensation in lieu of transportation services. West Clermont also provides transportation for preschool-age children. Parents should call West Clermont in July for route information.

Cincinnati Public Schools: 487-4300, Pat McFarland

Does not currently provide service. The school board has a policy that a private school must have at least 30 CPS students in need of bus service before they will provide a bus. They will make an "in lieu of" payment to parents at the end of the school year.

Batavia: 732-0935

Does not provide service. Parents receive an "in lieu of" payment.

Loveland: 677-7976

Does not provide service. Parents receive an "in lieu of" payment.
